# MINI POWER RAKE

## MINI POWER RAKE

The Digga Mini Power Rake grades, levels, rakes and removes debris, pulverizing and preparing the ground for new seedbed or turf. Dethatch or remove old lawn and weeds, all with one tool. The rake utilises a Digga planetary gearbox, delivering superior power and mechanical efficiency, to give you better performance.

## FEATURES

- Hydraulic driven planetary gearbox, directly mounted to the drum
- Hydraulic angling to 25 degrees in either direction
- Optional Manual Slew available
- Made Australian Quality
- Removable spoil plates for windrowing.
- Bi-directional drum can work soil in both directions
- Removable wheels for easy transport and storage

## IDEAL USE

Leveling, Grading, Seedbed Preparation, Sloping, Site Preparation, Lawncare, Golf Courses, Wineries, Paving and Contractors.

## MACHINE SUITABILITY

Mini Machines,  Small Skid Steer Loaders.
